RDA Toolkit

The RDA Toolkit is located at http://access.rdatoolkit.org Anyone within our registered IP ranges can access the Toolkit directly. If you are working from off campus, follow instructions on the BSCDG--Cataloging & Metadata, Local Resources page.

The RDA Toolkit is available in a slightly different interface in Cataloger’s Desktop. Our license allows 8 concurrent users. (This is part of a special double offer which will expire). There are 25 registered users. Registered users may create and preserve workflows, etc. This can be changed easily as demand grows.

Current information on the RDA Toolkit is available at the RDA Toolkit blog.

To enable RDA access via OCLC:

go to TOOLS
OPTIONS
RDA Toolkit
use Columbia signon. Follow instructions on the BSCDG--Cataloging & Metadata, Local Resources page.
